

## TRAINING DATABASE

NLOWE members, clients and supporters are a diverse group of people that have a great deal of experience and expertise that they can share with women in business. From consultants and trainers that can deliver workshops and seminars on a variety of business management topics, to those who have an inspirational or motivating story to share, NLOWE wants to hear from you!

NLOWE is developing a province-wide database of individuals that can provide business-related training and/or speak on business-related issues. If you are interested in being considered to deliver training or in being a guest speaker at one of our events, please forward the following information to NLOWE:

### Training:

- topics
- learning outcomes
- training format (small group, large group, online, etc)
- duration of training
- resume of presenter
- cost, if any, to deliver training

### Speaker:

- description of topic(s)
- resume of speaker
- cost, if any, to present

Please note that this database will be one of the sources that NLOWE utilizes to engage trainers, speakers and consultants and will be complemented by professionals engaged through other sources.

NLOWE reserves the right to accept or reject any application. All training must be business-related and delivered by qualified professionals to be considered. Decisions are based on a number of factors, including needs of the organization and cost.

Applications can be forwarded via email to [knorman@nlowe.org](mailto:knorman@nlowe.org), or by fax at (709) 754-0079 or mailed to:
