
NLOWE 2021 ANNUAL CONFERENCE

In Newfoundland and Labrador *women mean business.*

Charlene Brophy

Fonemed

Closing Keynote
April 29 | 10:00 AM (NDT)

Charlene Brophy is President and CEO of FONEMED, an international tele-medicine company, offering a patient-centered platform that incorporates technology and disease-specific algorithms as well as tele-medicine support and remote bio-metric monitoring to over 2300 client groups and 25 million individuals globally. Charlene has brought her hands-on knowledge of our health care system into developing countries and communities which otherwise would not have access to medical care. Today, FONEMED has more than 250 employees in NL alone with many more in the US and several international health contact centers.

Charlene was awarded NLOWE's Entrepreneurial Excellence Award in November 2020. She has also been the recipient of four Business Excellence Awards from The St. John's Board of Trade. She was awarded the Canadian Broadcasting Corporation Innovator of the Year by Atlantic Business Magazine in 2017 and recognized in 2017, 2018, 2019 and 2020 as one of the Top 50 CEO's in Atlantic Canada. In addition to her business commitments, Charlene has a profound sense of community. She supports and is an active board member for several non-profit organizations and a member of two provincial innovation advisory councils. Charlene is a proud Newfoundlander and although spends a great deal of time traveling outside the province, remains very proud to call NL home.
